What we believe

Our Vision

A world where all children and young people grow up in families rich in the essential ingredients required for them to realise their ambitions and dreams.

Our Mission

To create environments, enrich families and harness communities that enable Children and Young People to overcome adversity and abuse, by creating an enduring sense of belonging. By doing this and by working together, we will have the courage to overcome barriers, through tenacity and creativity we will release their potential.

Role Summary

A Senior Supervising Social Worker at Community Foster Care will be driven to promote the Child or Young Person's Ambitions or Dreams. They will do this by recruiting, enabling and enhancing foster families to provide safe, stable, loving, nurturing family homes. Children and Young People seeking to live within these families will have often experienced significant trauma and abuse. Enabling Children and Young people to thrive in our foster families will therefore require a number of special ingredients, which you will need to develop and nurture.

Key drivers of considerations

As a Senior Supervising Social Worker you will at all times:

- Adhere to Relevant Legislation and Regulation including The Fostering Services (England) Regulations 2011, Fostering Services: National Minimum Standards and the Care Standards Act 2000
- Work consistently with Community Foster Care's values and contribute to achieving its mission.
- Seek to develop and enhance good social work practice for yourself and for others.
- Promote Community Foster Care's reputation and protect its ability to achieve its mission.
- Good understanding and ability to work to the policies and procedures of the Agency
